

## LAA1E: LAA Express Application

Information You Need to Know!

Beginning May 24, 2010, the Buildings Department will offer same day work authorization for certain Limited Alteration Application (LAA) plumbing work.

To obtain same day authorization, a Licensed Master Plumber must file a completed LAA1E (including applicable asbestos forms) by 11 am.

The following is a list of plumbing work that may be submitted for same day authorization:

### Plumbing Fixtures

Bathtub	Lavatory
Floor Drain	Sump Pump
Stall Shower	Drinking Fountain
Urinal	Roof Drain
Bidet	Sink (residential)
Washing Machine	Toilet (water closet)
Dish Washer	

### Sanitary/Storm/Water Work Type

RPZ/Backflow Prev\*  
Grease Trap\*\*  
Sanitary Piping\*\*  
Storm Drain Pipe\*\*  
Sewer Connection\*\*  
Water Piping\*\*  
Floor Drain\*\*

\* Application must include RPZ specifications (size, make, model, MEA/approval certification letter, DEP approval letter or number)

\*\* Applicant must include piping/appliance size and length

Applicants cannot file for more than two new fixture installations. Estimated costs (equipment and labor) cannot exceed \$25,000 per building in any twelve month period.

Applicants are not required to participate in the LAA Express application process and may still use the LAA1 form for Limited Alteration work.
